

WHY ^W JESUS?

If God is *REAL*, why is there so much suffering?

God gave us free will so that love would be a real choice. He respects our free will, and much of the suffering in the world is the result of people using their free will in ways that go against His design. Suffering isn't a punishment for individuals, it's evidence that the world is not as God intended. But God loves us and sent Jesus to restore our relationship with Him. Jesus suffered for us, and one day, He will return to remove all pain forever.

I'm a decent person — why would I need *SAVING?*

Being a good person is great! However, there's more to life than simply trying to be good. We've all messed up, no matter how good we are.

God is loving, but He is also just, and His justice demands a consequence for sin. Because of His great love, He chose to pay the cost by sending Jesus to die for us. The point is not about how good you are, but how good God is. He gives His free gift of forgiveness to anyone who accepts Him.

I've messed up a lot — does God still *WANT* anything to do with me?

Yes! Being human means facing temptation, we naturally seek what feels good and prioritise ourselves. Even Jesus experienced temptation while on Earth, but Jesus didn't die for some of your sins, He died for all of them. He paid the price for everything that could separate you from Him.

God loves you unconditionally. Even when you feel far from Him, He is pursuing you. The Bible says that

nothing, neither life nor death, the past nor the present, nor any power, can separate you from His love. His love and forgiveness through Jesus are greater than anything you have ever done.

I'm anxious and *LONELY* — how does Jesus help?

God is always with you, He listens when you talk to Him, He comforts and loves you like a perfect parent. Jesus understands loneliness and pain because He experienced them too. By following Him, you become part of a supportive community.

WHO IS JESUS?

Jesus is God's Son and is Himself God. He came to Earth as a human to show us how to live and to take on our sins. He died, came back to life, and made a way for us to be close to God. Because of Him, we don't have to fear death, we get to live with Him forever.

WHY JESUS?

Jesus is the answer because He is the Son of God who came to restore our broken relationship with God. Through His perfect life, sacrificial death on the cross, and resurrection, He offers forgiveness, grace, and eternal life to all who believe in Him. He provides hope, peace, and purpose in a world filled with sin and suffering.

Jesus is not just a historical figure or a religious teacher, He is the way, the truth, and the life - the only path to God (John 14:6). His love is unconditional, and His power transforms lives. You can experience Him today!

SIMPLY PRAY:

“Jesus, I ask You to show me who You are. I believe You are real. I believe You are God. Thank You for dying for me. I believe You rose again. Come be the Lord of my life and teach me what it means to have a relationship with You.”

Amen
