IMPACT STATEMENTS

- LOCAL COMMUNITY INITIATIVES - LOCAL COMMUNITY INITIATIVES -

IN 2026, NATIONS CHURCH CONTINUED TO SHARE THE HOPE OF JESUS ACROSS WESTERN AUSTRALIA THROUGH PRACTICAL CARE, COMMUNITY CONNECTION AND GENUINE INCLUSION.

From supporting families and partnering with local schools and hospitals to providing food hampers, playgroups, Alpha and community events, we have met practical needs, built relationships and created opportunities for people to experience hope, belonging and faith.

More than 1,600 people from the community attended.

BOTTOM:
LOVE COMMUNITY CHRISTMAS PARTIES

LOVE COMMUNITY CHRISTMAS PARTIES

In 2025, Nations Church welcomed more than 1,600 people to our Love Community Christmas events across Western Australia, building on relationships formed through schools, chaplains, playgroups, food pantries and other community programs.

These events created opportunities to share the love of Jesus, strengthen community connections and invite people into the ongoing life of Nations Church.

In 2026, we will host these events across all campuses again, with a vision to reach over 2,000 people with the love of Jesus.

Creating pathways for belonging, growth and meaningful participation at every stage of church life.

HEROES ACADEMY

In 2026, Heroes Academy continued creating spaces where children and families with additional needs can belong, participate and thrive. Mega Play Dates in Myaree and Port Kennedy welcomed more than 150 families, supported by dedicated Nations Church and Curtin University volunteers.

Through these Mega Play Dates, Sunday programs and playgroups across Perth and the South West, Heroes Academy continues to build connection, inclusion and community for families.

A highlight has been seeing Heroes participants grow beyond the program, stepping into volunteer roles within Nations Kids and Heroes Academy, and transitioning into Junior High and Youth Ministry. This reflects the heart of Heroes Academy: creating pathways for belonging, growth and meaningful participation at every stage of church life.

Looking ahead, planning has begun for a dedicated Heroes Academy space within Nations Church's new Bunbury facilities. This will expand our capacity to provide accessible, purpose-designed spaces where children and families with additional needs feel supported, included and at home.

KIDS DEPARTMENT

Across WA, Nations Kids has continued to strengthen relationships with local schools, supporting children, families, staff and chaplains through practical care and genuine connection. Our teams have partnered with West Byford Primary School, South Lake Primary School, East Hamilton Hill Primary School, Endeavour Primary School, a local Education Support School, and seven schools across the Belmont area.

From providing morning teas and coffee for school staff and families, to running a Fun Day at South Lake Primary School and offering pastoral and practical support following a critical incident, our teams have responded to the needs of local school communities in meaningful ways. In Belmont alone, we have partnered with six local chaplains across seven schools, providing regular connection, prayer and food hampers. We have also brought together 50 local primary and high school chaplains for an afternoon tea, recognising and supporting those who serve students and families every day.

Through Reach, we have continued building trusted relationships with schools and helping children, families and staff feel seen, supported and loved.

Reach is equipping young people to carry the gospel into their own schools and communities.

LEFT, TOP & ABOVE: YOUTH & YOUNG ADULTS OUTREACH SESSIONS

YOUTH & YOUNG ADULTS

Across WA, Nations Youth has continued taking the hope of Jesus beyond our church walls, connecting with more than 2,500 young people through school assemblies, Bible classes, lunchtime programs, outreach events and ongoing relationship-building.

Our teams have served across Swan Christian College, Emmanuel Christian Community School, Bunbury Baptist College, Hope Christian College, Rockingham Senior High School, Baldivis Secondary College, Mandurah Baptist College, South Coast Baptist College, Safety Bay Senior High School, Carey Baptist College Forrestdale, Fremantle Christian College, Kennedy Baptist College, Rossmoyne Senior High School and Corpus Christi College.

Through these connections, we have seen 60+ recorded decisions for Jesus, students transition into Youth and Sunday services, and young people empowered to reach their own schools.

Through our 'Reach Your Schools' training, 20 students have been equipped to run school programs, including a student-led Bible study attracting 40 students, a weekly worship and Bible study, reaching around 70 students, and a growing student-led prayer meeting where a young person recently gave their life to Jesus.

Reach is not only creating opportunities for thousands of students to hear the Gospel, but equipping young people to carry it into their own schools and communities.

Our Young Adults have taken the hope of Jesus beyond the walls of the church, with teams heading into the community to share the Gospel, pray with people and provide practical care.

Nations Church Port Kennedy's Food Pantry has supported more than 70 local families.

AUSLAN

Nations Church has continued its commitment to making the Gospel accessible and inclusive for the Deaf community through Auslan-interpreted Kids Curriculum and online worship resources.

The impact of these resources has reached well beyond Nations Church campuses. Members of the Auslan Bible translation community have shared that Nations Church's Auslan-interpreted worship songs on YouTube are being accessed and valued by Deaf and hard of hearing communities across Australia, with some churches using them to support Auslan interpretation within their own services.

What began as a way to support inclusion within our own church community has grown into a broader Kingdom impact, helping make worship and the message of Jesus more accessible to people beyond Nations Church.

FOOD PANTRY

In 2026, Nations Church Port Kennedy's Food Pantry has supported more than 70 local families, distributing around 60 food hampers each week with the help of 12 dedicated volunteers and generous local partners. The ministry has also supported eight school chaplains and served as an OzHarvest hub for five local primary schools.

More than providing food, the pantry has created a place of dignity, prayer, relationship and hope, walking alongside families through difficult seasons and celebrating with them as circumstances change for the better.

CHRISTMAS HAMPERS

This Christmas, Nations Church will provide 1,500 Christmas hampers to individuals and families across our local communities, sharing practical generosity and the hope of Jesus during the festive season.

More than simply a gift, this initiative is a chance to demonstrate the love of Christ in a practical way.

Each hamper creates a pathway for relationship, with recipients invited to our Love Community Christmas events and Christmas Eve services.

More than simply a gift, this initiative is a chance to demonstrate the love of Christ in a practical way, bringing joy, hope and community, while pointing people to Jesus, the greatest gift of Christmas.

These growing partnerships have enabled us to bring practical help, compassion and hope to people when they need it most.

KING EDWARD MEMORIAL & FIONA STANLEY HOSPITAL

In 2026, Reach has continued to strengthen partnerships with King Edward Memorial Hospital and Fiona Stanley Hospital, providing practical care and pastoral support to patients, families and hospital staff during some of life's most vulnerable moments.

At King Edward Memorial Hospital, we have supported the Social Work Department with women's winter and summer clothing packs, newborn clothing, bottles and formula, food vouchers, Christmas hampers and SIM cards for pregnant women and new mothers escaping family violence.

Reach has also established WA's first dry food pantry within the hospital, which is fully stocked and continually replenished to provide immediate practical support to families in need.

At Fiona Stanley Hospital, our support has included grief and loss packs with teddy bears, handprint kits and grief resources, emergency relief meals for families following discharge, and pastoral care for hospital staff. Following critical incidents, our teams have also provided gifts, prayer, chocolates and coffee vouchers to care for staff and the Pastoral Care team.

These growing partnerships have enabled us to bring practical help, compassion and hope to people when they need it most, with further face-to-face support planned for 2027.

Nations Church Playgroups have continued to welcome more than 2,000 parents and children across all WA campuses.

LEFT, ABOVE & TOP: VARIOUS THEME DAYS AT NATIONS CHURCH PLAYGROUPS

PLAYGROUPS

Nations Church Playgroups have continued to welcome more than 2,000 parents and children across Belmont, Bunbury, Myaree and Port Kennedy, with Wangara launching in 2026 and continuing to grow from strength to strength.

For many families with no previous connection to church, playgroup provides a warm and welcoming place to build friendships, find community and experience genuine care.

Through everyday conversations and relationships, families are introduced to the hope of Jesus and invited to take part in other Nations Church programs, events and services.

Playgroups have continued to be a powerful pathway for belonging, community and faith within our local communities.

HANNAH'S HOUSE

This partnership has been about coming alongside families during some of life's most difficult moments.

HANNAH'S HOUSE

Nations Church has continued to partner with Hannah's House, providing practical care and meaningful support for families caring for children with life-limiting conditions.

Throughout the year, families have been welcomed into the Heroes Academy Sensory Room for dedicated events where they can enjoy a safe place to play, spend time together and be supported. Beyond these gatherings, Nations Church has supported families through emergency meals during end-of-life care, Christmas hampers, books and a $5,000 contribution towards essential equipment.

This partnership has been about coming alongside families during some of life's most difficult moments, bringing practical support, comfort and joy, and helping families know they are seen, valued and cared for.

ALPHA

Across Western Australia, Alpha at Nations Church has continued to create a welcoming space for people to explore faith, ask honest questions and encounter Jesus. In 2026, 118 participants completed the full Alpha course, with people making decisions to follow Jesus, experiencing the Holy Spirit and choosing to be water baptised.

Through open conversation and genuine relationships, questions have been explored, misconceptions challenged and lives impacted as people have taken steps forward in their journey of faith.

MAJOR COMMUNITY PARTNER

SANDCASTLES (BOODJA MIA) CHILDREN'S HOSPICE

$100,000

REACH INVESTMENT

In 2026, Nations Church had the privilege of contributing $100,000 in Reach funding towards the development of Sandcastles (Boodja Mia) Children's Hospice, Western Australia's first children's hospice. This places Nations Church among the top 30 donors helping make this landmark facility possible.

Sandcastles will provide specialised respite, clinical and end-of-life care for children with life-limiting conditions, while supporting their families through some of life's most difficult seasons. Around 2,000 children in WA are living with life-limiting conditions, and this purpose-built facility will provide a warm, home-like environment where children and families can receive care, support and connection.

This partnership reflects the heart of Nations Church and Reach - putting the love of Jesus into action and caring for people who are vulnerable, hurting or facing circumstances they never expected.

We already see this heart expressed through Heroes Academy, creating belonging for children and families with additional needs, Hannah's House, supporting families caring for children with life-limiting conditions, and our growing partnerships with Fiona Stanley Hospital and King Edward Memorial Hospital.

This $100,000 investment is more than a donation. For years to come, families walking through some of their hardest days will enter Sandcastles and see Nations Church recognised among those who helped make this place possible. We hope this represents a church that chose to show up, care deeply and bring the hope of Jesus through practical action.

Our partnership will also continue beyond the building. In 2027, there will be opportunities to support children, parents and siblings with care and practical support beyond clinical services. This is an area we would love to continue investing in through Reach.

Together, Sandcastles, Heroes Academy, Hannah's House and our growing hospital partnerships represent a significant and developing area of community impact for Nations Church.

It is a privilege to stand alongside vulnerable children and families and help ensure that, in some of their hardest moments, they know they are seen, valued, loved and not walking alone.

LOCAL & GLOBAL IMPACT

PARTNER ORGANISATIONS & PARTNER ORGANISATIONS

IN 2026, NATIONS CHURCH CONTINUED TO MAKE AN IMPACT ACROSS WESTERN AUSTRALIA AND AROUND THE WORLD.

Through local outreach, community care, chaplaincy, missions and trusted partnerships, practical needs were met, communities strengthened and people encountered the hope of Jesus. Our heart remains simple: to share the love of Jesus through both word and action and bring hope to the communities we serve.

TOP: TRANSFORM CAMBODIA
LEFT: ACCI

TRANSFORM CAMBODIA

Nations Church has continued partnering with Transform Cambodia, supporting five centres that provide education, meals, uniforms and health checks for more than 2,000 children from age five through to university or vocational training. Nations Church families also personally sponsor more than 100 children. Teams have served on the ground, supporting classrooms, visiting families and building meaningful relationships within local communities.

ACCI MISSIONS

In 2026, Nations Church partnered with ACCI Relief and Projects through hands-on mission and financial support. A team travelled to Vietnam to help renovate a medical and kindergarten centre, teach nine classrooms about the Fruit of the Spirit and provide 100 bicycle helmets to local children.

Reach funding also supported ACCI's emergency response to devastating flooding in Tibet, providing practical assistance to communities facing crisis and displacement.

PROJECT VALENTINE

Project Valentine has continued reaching women experiencing exploitation with practical care, prayer and the hope of Jesus. In February 2026, a Nations Church-funded outreach reached 75 women across three brothels, including a new location. The outreach also strengthened church partnerships and welcomed new volunteers into the ministry.

YOUTH ALIVE

Through our partnership with Youth Alive WA, thousands of young people encountered Jesus in 2026. More than 1,350 attended the All In Conference, 2,000+ attended metro and regional rallies, and 3,300+ attended Main Event. Across these events, hundreds made decisions for Christ, while youth leaders were equipped to disciple the next generation.

STREET CHAPLAINCY WA

Street Chaplains WA brings practical care, compassion and hope to people in vulnerable moments. With 300+ chaplains serving across 14 centres in WA, teams work alongside Police, paramedics and other community services to provide pastoral care, first aid and practical support.

Reach funding helps Street Chaplains continue putting the love of Jesus into action through simple acts of care, dignity and compassion.

(IRIS) THE MISSION WORLDWIDE

In 2026, The Mission Worldwide saw significant impact across Cambodia through anti-trafficking work, outreach and discipleship. In Phnom Penh, 11 minors were rescued from sexual exploitation and one trafficker was arrested. Province outreaches saw hundreds respond to Jesus, with reports of healing and transformation, while more than 1,000 children received education to help protect them from trafficking and abuse.

Discipleship has also continued to grow, with 35–40 adults now gathering weekly in Samaki Community to study Scripture, worship and grow in faith.

IMPACT STATEMENTS

IN 2026, NATIONS CHURCH CONTINUED TO REACH THE NATIONS THROUGH MISSIONS BOTH INTERNATIONALLY AND IN REGIONAL WA.

Teams shared the Gospel, witnessed salvations and healings, and equipped local leaders and churches. From ministering in schools and villages to supporting communities with care and encouragement, each trip reflected God's heart for the nations.

Hundreds were reached and reports of salvations, healings and significant faith encounters.

VIETNAM

In 2026, the team partnered with a local NGO to renovate a medical and kindergarten centre, deliver nine sessions for children and provide 100 safety helmets. The team also served a local church, where 10 people made decisions to follow Jesus, while encouraging and ministering to NGO staff.

EUROPE

The Europe Missions Trip created opportunities to share the Gospel, strengthen churches and reach communities across Europe. In Amsterdam, the team served through churches, Young Adults ministry, street evangelism and outreach, with hundreds reached and reports of salvations, healings and significant faith encounters. The team also partnered with Nations Church Cork and two churches in Limerick through ministry, evangelism and encouragement.

MISSIONS TRIP

Across the trips, the teams saw salvations, reported healings and moments of restoration while building genuine relationships.

CAMBODIA FAMILIES TRIP

In 2026, five families travelled to Cambodia for a missions experience designed to help parents and children serve together. The team partnered with the Phnom Penh Campus, Transform Cambodia and Iris, hosted a family community night and served in local communities. It was an incredible opportunity for families to experience mission together and see the love of Jesus across cultures and generations.

REGIONAL WA

Nations Church completed three missions trips across Regional WA in 2026, serving students, staff and communities connected with CAPS in Coolgardie and Kurrawang. The team also began serving at Wongutha CAPS in Esperance and partnered with Teen Challenge to invest in young people through ministry and discipleship.

Across the trips, the teams saw salvations, reported healings and moments of restoration while building genuine relationships. Four Regional WA missions trips are planned for 2027, with further opportunities to connect with Aboriginal communities across WA being explored.

THE PHILIPPINES

Nations Church partnered with local churches, schools and safe homes across the Philippines through outreach, worship, evangelism, prayer and practical care. The team also served refugees displaced by a volcanic eruption and partnered with YWAM in prison ministry and children's programs, bringing the hope of Jesus to individuals, families and communities.

BARCELONA/MANILA

In 2026, we supported two new church plants: Horizon Church in Barcelona and Counter Culture Church in Manila. Through these partnerships, we are helping establish spirit-empowered churches where people encounter God, experience transformation and freedom while equipping future leaders to share the Gospel and reach the Nations.
